The Offer

Canquest will donate \$1.00 per phone line each month. Assuming each subscriber account is in good standing Canquest community donations are payable quarterly and will be accompanied by a summary account. Funds to be used at the discretion of the communities group

Canquest Community Rebate Example

South-Chatham Village phone subscribers
53 x \$1.00 rebate = \$53 / mo.
Paid quarterly to the community fund =
\$153 or \$612 yearly

Payments

Community Rebate will continue for a minimum period of 36 months. The Community Group program will be evaluated at that time for effectiveness and would be expected to continue.

"South Chatham Village; we call it the home of the \$ 15.95 telephone.

One day driving north on St. Clair Street in Chatham, I notice a sign which stated "Residential phone service for \$ 15.95". I thought why am I paying some \$ 50 plus with Bell?

I signed up and haven't looked back since. In fact, being the President of South Chatham Village Apartments I invited Todd Violot and Nicole Mihalco to the complex to make a presentation about the voip service.

Since my experience with the Canquest VOIP phone system was excellent, clear, no static, long distance included I could, first hand vouch for Canquest quality and service.

The rest is history, 53 of our 67 tenants signed on with Canquest. All are very satisfied and above all they are saving money. Some as much as \$ 60 per month.

Canquest is a company you can count on for phone quality, reasonable prices and excellent service".
